

European Research Community on Flow, Turbulence and Combustion

Spring Festival Information

12-13th May 2011, Gdansk, Poland

Institute of Fluid Flow Machinery, Polish Academy of Sciences, Fiszerka 14, 80-952 Gdańsk

Updated version

The location of key points:

- **Lech Walesa Airport**, - **Gdansk Wrzeszcz Railway Station**, - **Gdansk (Główny) Main Railway Station**, - **IMP PAN**
are indicated in the map of Fig.1

To get to the city from the airport there are two bus lines available: No.: 110 to Gdansk-Wrzeszcz Railway Station (15 min walk from IMP)

No.: 210 to the Gdansk-Główny (Main) Railway Station (close to old city)

Taxi cost is about 70 PLN \approx 15 Euro.

IMP PAN is easily accessible from the Gdansk City Centre by taxi or tram. Transport tickets are sold in newspaper kiosks. Taxi charge should be about 30 PLN \approx 7 Euro. Trams can be accessed in the Old City as shown in Fig.2. Due to the modernisation of tram lines there are modifications of the connections. By tram lines 2, 5, 6, 8*, 9 and 11 you can get from the main railway station in Gdansk to the Opera stop (see Fig.3), which is 10 min walk from the Institute, see the map below in Fig.4.

Suggested hotels are listed below and marked on the map in Fig.2.

Hotels H, I, B have been used by our guests and are of good quality. Hotel H is the most closely located to the Old Town.

Hotels C and G are of higher quality and more expensive but I don't have any experience with these hotels. G is newly built.

Cheaper solution is:

Gdansk Hostel Targ Rybny, gdanskhosel@hotmail.com, Grodzka Street 21, 80-841 Gdańsk tel. (+48 58) 301 56 27
